In response to the global health emergency concerning the spread of the 2019 Novel Coronavirus (COVID-19), Securi-T USA has taken steps to seek to ensure that your customers experience no disruption to the supply of their products and to protect our Associates. Hollister, acting as our distribution partner, is diligently cooperating with our suppliers across the US to identify any potential impacts COVID-19 may have on our suppliers as well as our own operations.

At this time, we do not anticipate an impact to our ability to supply or to our other business operations.

Securi-T USA continues to monitor this public health threat and considers the guidance provided by the World Health Organization, the US Centers for Disease Control and other sources in managing our overall ongoing response to this public health emergency. We continue to monitor the situation closely.

Should you have any immediate questions or concerns, please contact your distributor partner supplying your Securi-T Product. If you have any specific Securi-T USA Product support questions, please contact your local account representative or us at Securi-T utilizing the telephone number provided.
